Rural Housing Service

TITLE: 7 CFR 1944-I, "Self-Help Technical Assistance Grants"

OMB CONTROL NUMBER: 0575-0043

SUMMARY OF COLLECTION: Authorized under Public Law 90-448, section 523 of the Title 5 Housing Act of 1949, this regulation sets forth the policies and procedures and delegates the authority for providing technical assistance funds to eligible applicants to finance programs of technical and supervisory assistance for the Mutual and Self-Help Housing (MSH) program. The MSH program affords very low and low-income families the opportunity for home ownership by constructing their own homes. The MSH program provides funds to non-profit organizations for supervisory and technical assistance to the homebuilding families. Three types of funds are available under the MSH program: 1) Technical assistance grants, 2) Pre-development grants and 3) Site option loans.

NEED AND USE OF THE INFORMATION: Rural Housing Service (RHS) will collect information from non-profit organizations that want to develop a MSH program in their area to increase the availability of affordable housing. The information is collected at the local, district and state levels. The information requested by RHS includes financial and organizational information about the non-profit organization. RHS needs this information to determine if the organization is capable of successfully carrying out the requirements of the MSH program. The information is collected on an as requested or needed basis. RHS has reviewed the program's need for the collection of information versus the burden placed on the public.
